

Tiferet Housing Request Form

Student Name _____

Rooms in Tiferet accommodate four students. Each student may choose only one roommate and the Tiferet administration will then match up that pair with another two students.

Alternately, you can choose to go “potluck” and then Tiferet will choose three roommates for you.

Requests for apartment-mates will not be accepted.

If you are choosing a roommate, please make absolutely sure that she is requesting you as well, to avoid any unpleasantness.

() I would like to room with _____. I have confirmed this arrangement with her.

() Please choose a roommate for me.

ALL students should fill out the following questions:

On a scale of one to six, how much do you agree with these statements:
